

FINNS RECREATION CLUB

A one-stop destination for all things splashing and bouncing fun.

There's nothing quite like Finns Recreation Club when it comes to a one-stop, all-age entertainment shop. Located in the heart of Canggu – just minutes away from Seminyak, Finns Recreation Club comprises leisure and sports facilities that have a little bit of everything for everyone in the family.

Let's start with something cool, shall we? The club's Splash Water Park stands tall and spans 2,400sq.m. with colourful world-class slides, cool pools and plenty of lifeguards ensuring an exciting and also safe day for children and adults alike. One of the favourite slides is the 90m Giant Racer that accommodates up to four participants racing each other. Not limiting the excitement to older kids and adults, the Giant Racer also comes in a smaller version for the younger crowd! If thrill rides aren't exactly your thing, then take time out at the not-so-crazy Crazy Creek with the kids, where you can meander gently down on floats. Splash Water Park comes with Splash Poolside Bar & Dining so that the whole family can fuel up for more adrenaline-laden rides.

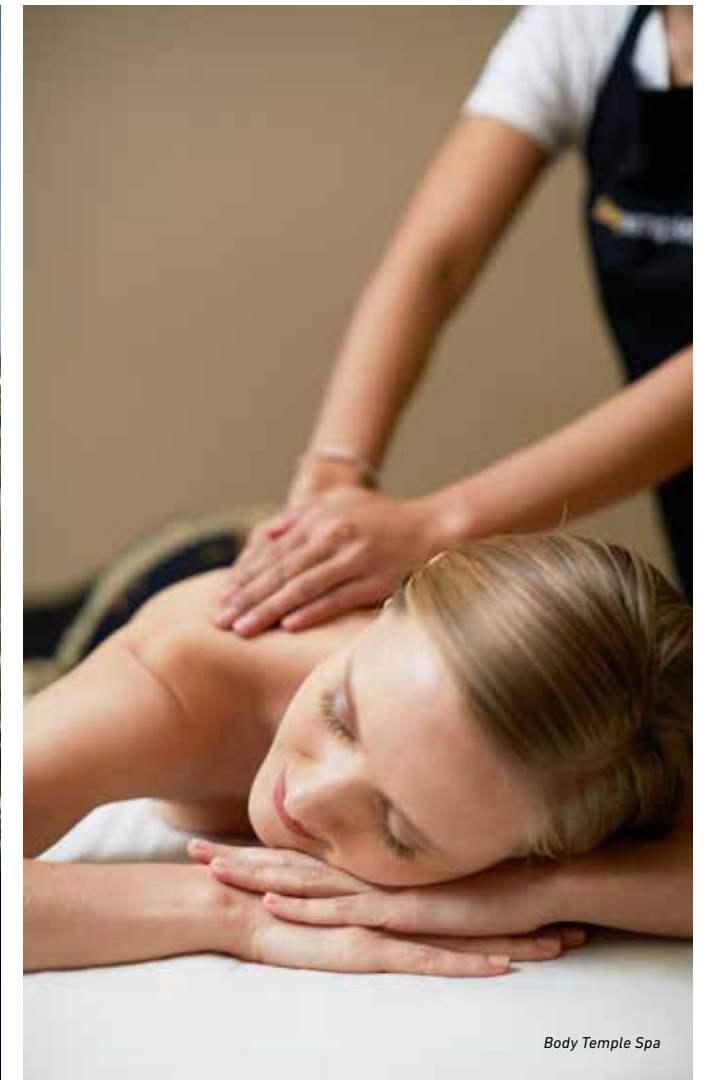

The next feature will put a spring in your step – literally. Bounce is the Finns Recreation Club, and Bali's only, indoor trampoline centre, which offers state-of-the-art equipment, a secure and supervised environment and guaranteed fun action for all ages. The – quite literally – jumpy crowd will appreciate the air-conditioned centre and its elite trampoline arrangement, wall walks, jumping pits, dodgeball courts and more than enough padded edges to allow a safe jumping experience.

After all the bouncing brouhaha, head upstairs to Strike Bowling, where you'll find six 10-pin lanes, cool coloured lighting and rocking tunes for some family-friendly competitive fun. Shoes are available for hire, and Strike Bar is there to provide pizzas, snacks and cold beverages to accompany the bowling bash.

To further sate any sporty family's hunger to get active, Finns Recreation Club has a 25m lap pool and a fully equipped fitness centre that offers a range of up-to-the-minute classes, sessions with personal trainers and the latest in high-tech gym equipment. Meanwhile, Bali's best

Bounce Trampoline Centre

manicured, fully fenced sporting field is ready to host a game of football or two. For those who are into the love match, the indoor tennis centre – complete with coaches and hitting partners – are also available. Of course, afterwards you can clean and freshen up in the ladies' or gents' locker rooms with sauna, steam rooms and showers.

From here, you can treat yourself to a pampering session or a delicious feast, or both! Body Temple Spa has a professionally trained and internationally experienced team who can massage, polish or pamper you to a whole rejuvenated state. On the other hand, Bistro C Smoke House offers an al fresco or air-conditioned all-day dining venue, serving post-workout breakfast, morning coffee, leisurely lunch and outback steak dinner with a Texan flare.

Finns Recreation Club is also the go-to place to kill time before your red-eye flight. The staff will store your luggage securely so that you and the family can
