# OUR HISTORY

Founded in 2009 when Mr Tony Smith and family relocated to Bali from Australia and joined with his long time friend and business associate Mr I Ketut Subina. Both men are experienced and successful in resort management in Bali and Australia.

Their first business in Bali was a travel company, Bali Res Centre but soon followed the vision for Semara Resort & Spa, in Seminyak. The Semara team project managed the design, construction and interiors of the boutique resort which included Cubby House Kids Club, Semara Spa, and The Deck Sports Bar. Semara Collection owned and managed this highly successful business until February 2015 when sold to a Singapore based company.

In 2011 Semara Collection added Semara Luxury Villa Resort and Finns Beach Club to the portfolio. This properties construction was not yet complete after 5 years. The Semara team completed the build and opened the resort and beach club by September 2011 (9 months).

This property was under Semara management for 5 years and was recognised internationally as one of Bali's best luxury villa properties, wedding venues and beach clubs.

The rapid growth has not slowed with the addition of Canggu Club in June 2013. After a 12 month expansion and renovation Canggu Club and all its facilities were relaunched in September 2014. Previously a member's only club the leisure and entertainment venue now is open to the public.

The group also owns and manages Semara Beach House, which was one of Bali's original villas located absolute beachfront on Pantai Berawa, Canggu. The property has been one of Bali's premier wedding and event venues.

The new Finns Beach Club Canggu opened on 1st June 2016. The striking bamboo structure was specifically designed to allow every guest a guaranteed ocean view. Finns has quickly proven to be one of the new hot spots in Bali.

June 2017 saw Semara Collection rebrand to Finns Bali. In line with the new branding Canggu Club was rebranded to become Finns Recreation Club, bringing a host of new benefits to members and day visitors alike.

In August 2018 Finns Bali opened their second beach club – Finns VIP Beach Club. Located directly next to Finns Beach Club, Finns VIP offers unparalleled services to guests enjoying this stunning location including a Body Temple Spa. August 2018 also saw the opening of the redesigned and renovated Semara Beach House.

IN 2020, Finns will welcome over 1 million customers from all around the globe. Guests can enjoy the choice of 11 bars, 8 restaurants, 4 swimming pools, daily DJs, live Vocalists, stunning sunsets, daily yoga, ocean spa and barber. Finns Beach Club offers it all across 170m of absolute oceanfront at the famous Berawa surf break, only 10 minutes from Seminyak.

# OUR EMPLOYEES

Finns staff numbers have grown since the company's inception as a travel service in 2009, to a workforce of approximately 2,000 employees across all outlets; 56 of whom have been with the company for over five years!

Recognising and appreciating this important resource is essential for the growth and development of every workplace. Training and development is also key to a company's prosperity and evolution and Finns offers continual educational opportunities encouraging employees to develop new skills that not only enhance their workplace performance but also benefit their home life and family. Education and the adoption of new practices in the workplace means these new skills are filtering down to younger generations in the family unit encouraging new, efficient and more environmentally friendly approaches to day to day life in Bali.

Across numerous departments, student trainees are offered work experience and an opportunity to showcase their skills and enthusiasm, often with a view to a more permanent position. Keen, skilled and eager professionals are always encouraged to apply and Finns offer a range of career opportunities across all sectors including corporate, sales, management, hospitality, sports and recreation, engineering, childcare, spa therapy and more.

Employees are actively encouraged to apply for higher positions, moving into the departments where they truly aspire to be and furthering their future career options.

The belief that success is attributed to all departments working together is an ideology that filters down from management to employee. Everyone is vital for the company to function effectively, which is why Finns Bali mission statement is - **ONE VISION, ONE TEAM, ONE GOAL.**

"I believe it is our communication and understanding of each other that makes us a strong team which has achieved great success in such a short time. That's why I work at Finns Bali and Finns Bali has become part of my life."
