OUR HISTORY

Founded in 2009 when Mr Tony Smith and family relocated to Bali from Australia and joined with his long time friend and business associate Mr I Ketut Subina. Both men are experienced and successful in resort management in Bali and Australia.

Their first business in Bali was a travel company, Bali Res Centre but soon followed the vision for Semara Resort & Spa, in Seminyak. The Semara team project managed the design, construction and interiors of the boutique resort which included Cubby House Kids Club, Semara Spa, and The Deck Sports Bar. Semara Collection owned and managed this highly successful business until February 2015 when sold to a Singapore based company.

In 2011 Semara Collection added Semara Luxury Villa Resort and Finns Beach Club to the portfolio. This properties construction was not yet complete after 5 years. The Semara team completed the build and opened the resort and beach club by September 2011 (9 months).

This property was under Semara management for 5 years and was recognised internationally as one of Bali's best luxury villa properties, wedding venues and beach clubs.

The rapid growth has not slowed with the addition of Canggu Club in June 2013. After a 12 month expansion and renovation Canggu Club and all its facilities were relaunched in September 2014. Previously a member's only club the leisure and entertainment venue now is open to the public.

The group also owns and manages Semara Beach House, which was one of Bali's original villas located absolute beachfront on Pantai Berawa, Canggu. The property has been one of Bali's premier wedding and event venues.

The new Finns Beach Club Canggu opened on 1st June 2016. The striking bamboo structure was specifically designed to allow every guest a guaranteed ocean view. Finns has quickly proven to be one of the new hot spots in Bali.

June 2017 saw Semara Collection rebrand to Finns Bali. In line with the new branding Canggu Club was rebranded to become Finns Recreation Club, bringing a host of new benefits to members and day visitors alike.

Not one to rest on the laurels, August 2018 Finns Bali opened their second beach club – Finns VIP Beach Club. Located directly next door to Finns Beach Club, Finns VIP offers unparalleled services to guests enjoying this stunning locale. August 2018 also saw the opening of the redesigned Semara Beach House. Now housing Body Temple Ocean Spa and the two king sized bedroom - The Penthouse.
