MUMS AT FINNS RECREATION CLUB ON MOTHER'S DAY

It is important to show our mothers how much they mean to us. At Finns Recreation Club, Sunday Mother's Day on May 13th will serve a free glass of bubbly for mum! If one glass is not enough, go for their 'buy 1 get 1 free' promo on bottles of Moet and Chandon Champagne. Make this special day a 'dishes free' affair by getting away from the home kitchen for a family day out. The Grown-ups can recline, relax and 'rehydrate' while the young ones wear out their energy with

free bouncy castles, slip n slide, face painting, soccer and more. Live music along with footy action on the multiple screens will be available in the Sports Bar. Take this opportunity to show mum how much she matters and to give her a day she deserves!
