

highlighting Indonesian and International favourite snacks. For those who are keen to see the chefs working on their mouth-watering creations, by all means, come to the open-kitchen concept of S.O.S Dining at 12 PM every day.

Still around the island's happening neighbourhood of Seminyak, **Sanje Restaurant & Lounge** provides a serene getaway from the area's hustle and bustle. Featuring ocean views in the glamorous spot of Seminyak Beach, this alfresco restaurant offers a cosy oasis for a fancy dinner. You can opt for an elegant sunset by the pool before dinnertime. Basking in the unmatched ambience on the lounge chairs, get yourself excited to watch live DJ performance mixing up the right vibe for the venue. Serving grilled seafood, fresh from the great Indian Ocean to your table,

and a large selection of light Mediterranean Cuisine, as well as a multiple course meal, Sanje will please any appetite and make one breezy afternoon notable.

Driving westside to the famous surf spot at Berawa Beach, **Finns Beach Club** invites you to laze the whole afternoon away under the sun on a white sand beach or in an infinity pool with cocktails on hand from the swim-up pool bar, allowing anyone to have a guaranteed ocean view from any spot of the venue. If you want to capture the best surfing moment in action, go to the second level which provides a sunset lounge with a cinemascope ocean view. For those who fancy a bit of sushi, the beach club has just announced their new Sushi Bar. The menu is comprehensive without being overwhelming. Unlike many sushi restaurants on the island, Finns Sushi Bar

doesn't have pages of options to pour over, but a succinct selection of flavoursome and fresh food done well. Take some shots of the dish before you sample as a reminder of just how good these dishes are! If you would prefer to soak up the sun at the same time, simply grab a daybed and kick-back with one of their Bento Boxes.

Going to the neighbouring beach of Batu Bolong, or better known as Canggu Beach, **Ji Terrace by The Sea** is located on the second and third floor of the existing Ji at Bale Sutra. With 180-degree undisturbed views over the sparkling ocean and the beach, this venue offers an exotic dining experience in a journey through ancient Japan and the

east. Be prepared for the ultimate sunset session from the balcony! As the sun sets under the ocean, enter into another world of Ji, a dreamlike atmosphere with candlelight and magical sounds, delivering you to the next level of romance. Book your 18th-century antique bed, illuminated by lanterns and a red, dusky Canggu sky, then tuck in for a gourmet contemporary Japanese picnic under the moonlight. Sounds like a perfect plan to end the day, doesn't it?

Dining at Bali's beachside establishments is such an unforgettable and cherished experience best enjoyed with stunning views, a suitable ambience and your loved ones.
