On the beachfront of Canggu's famous Berawa surf break, **Finns Beach Club** boasts a menu that showcases a well-balanced mix of local, international and fusion cuisine. Their mantra is "simple food, done well" and they do that by starting with only the freshest and best quality ingredients. Diners at Finns can also laze away the day in the sun from the comfort of single and double day beds on a white sand beach or swim in a stunning 30 metre infinity edge pool with a swim up pool bar. Finns Beach Club's all-new VIP section is set to elevate your experience, offering a truly exclusive area to enjoy.

On Jalan Batu Bolong, another Canggu hotspot **Ji Terrace by the Sea** takes you on a journey to the heart of Indonesia, Japan, India, Thai and Southeast Asian countries; the food served here is a modern interpretation of these ancient cultures. Using only the freshest local produce, Ji's aim is basically to create an interesting fusion of flavours that are at the same time comforting, homey and heartwarming, an all-day dining venue that is so good and delicious. Head to their top floor to the surfers take their last sunset waves as you sip on an Asian-inspired cocktail.

PINK RIBBON WALK 2018

Bali Pink Ribbon Foundation (BPR) has announced its annual charity Bali Pink Ribbon 5KM Fun Walk & Run set for Saturday 20 October 2018 from 2 - 9pm, at ITDC Area Nusa Dua. The fund raising event supports the foundation's breast cancer awareness education and screening work targeted to underprivileged women in Bali and surrounding islands. This year's profits will be used to set up a Rumah Singgah for breast cancer patients undergoing treatment. BPR welcomes participants from in and around Indonesia and beyond of all levels of fitness to join the 5km fun and relaxing walk. This year the foundation is looking to have 1,500 people join this walk for a cause. Tickets are on sale from IDR 200,000 including t-shirt and finisher medal for runners or IDR 150,000 including t-shirt for fun walk.

Other than the walk itself, there are plenty of things to do, with stalls selling food, drink and shopping set up in the ITDC gardens, a kids corner to keep the young ones entertained, a raffle and auction for fun fundraising and live music until 9pm. Of course, on the day FREE breast screenings are offered for women supported by doctors from Prima Medika Hospital.

'STAY TO GIVE' HELPS BUILD HOUSES FOR THE NEEDY

Partnered with Habitat for Humanity, an international charity that relies on volunteer labor to build housing for people in need, JW Marriott Surabaya offers special programs named "Stay to Give". Guest can participate in this charity program by staying overnight with family, a spouse, or friends, and immerse themselves in one of Indonesia's most dynamic cities by staying in the illustrious JW Marriott Surabaya. Including breakfast for 2 people, guests can also enjoy additional 20% discount on food and beverage at the hotel's restaurants, relaxation massages, and an exclusive giveaway.

Since it was launched in the earlier of August, the room sales exceeded the predetermined expectation and the profits made from these sales are used to help the disadvantaged people and families who are in need of a decent and affordable home. You can be a part of this noble cause, too.

"Stay to Give" is valid from August to mid-December. For more information visit www.jwmarriottsurabaya.com

MELBOURNE CUP 2018

It's time to dust off your best outfit and strut out on the lawn for a day of music, sun, and friends on the island's biggest Melbourne Cup party, set to take place the coming 6 November 2018 at the brand new Finns VIP Beach Club. You'll be treated to great food, entertainment, live auctions and raffle draws, and even an after party in addition to, of course, live screening of the Melbourne Cup Race. Individual tickets and table bookings are available for both members and non-members.

Fun aside, this year's Melbourne Cup charity event is supporting Solemen Indonesia, a non-profit organisation that is currently caring for over 1680 disadvantaged people in Bali, providing medical assistance, housing, education, food, clothing, transport and support to those who desperately need it as well as raising public awareness to the plight of those who might otherwise continue to suffer in silence.

For more information call: +62 361 844 6327 or go to www.finnsbeachclub.com.
